

This is the end

Hold your breath and count to ten

Feel the Earth move, and then

Hear my heart burst again

For this is the end

I've drowned and dreamt this moment

So overdue, I owe them

Swept away, I'm stolen

[Chorus]

Let the sky fall

When it crumbles

We will stand tall

Face it all together

Let the sky fall

When it crumbles

We will stand tall

Face it all together at Skyfall

At Skyfall

[Verse 2]

Skyfall is where we start

A thousand miles and poles apart

Where worlds collide and days are dark

You may have my number, you can take my name

But you'll never have my heart
